## WHAT IS A VINE JOURNAL?

The inspiration for Vine Journaling comes from an ancient practice called “Lectio Divina”. This Latin term simply means, *divine reading*, or in other words, a way of becoming immersed in the Scriptures very personally. With the vision of Life Church in mind, which is to help people know and follow Jesus step by step, the leadership of LCB believes this established and ancient practice will be of deep value in helping our Church family to know Jesus intimately and have found great benefit and enjoyment from this tool in approaching God’s word.

This Vine Journal is a tool for deepening your relationship with God. It is made up of four movements that aim to assist and facilitate your time spent with God. Throughout this time of reflection and communion with God, remember that we are loved by a God who longs to meet with us. His character is one of grace and truth as He desires for us to be formed in the image of His son Jesus, who willingly gave of Himself fully so that we could commune with Him eternally. In this regard we truly do “love Him because He first loved us.” (1 John 4:19 NIV)

# THE FOUR MOVEMENTS

## Verse

---

“Man, does not live by bread alone but by every word that comes from the mouth of God.” (Matt 4:4 NIV) How do we as Jesus followers, made in the image of God, who is both body and Spirit, live healthy integrated lives? After all, Jesus did promise us that He came to give us life to the full! In the same way that it is important to nourish our physical bodies it is also important to nourish our spirits. We do this by consuming the word of God.

In this first movement of VINE journaling, we ask that you focus on the chosen passage, sit with God’s word - not moving quickly past it, contemplate it, and enjoy the sweetness of His words like honey on your lips (Psalm 119:103). We believe that our hearts are formed by what we give our attention to. So give your attention to the scripture! You can do this by reading the passage slowly, reading it again, pausing often to linger on meaningful words and phrases. Allow God’s word to sink into your heart and take root into the soil of your soul.

## Immerse

---

Focus on depth over breadth. In this second movement of VINE journaling we want to immerse ourselves into the scripture. This might involve closing our eyes and using your imagination in a holy way to picture what it would be like to be present at the time when the scriptural account took place. Awaken your senses...what must it have smelled like to be in the room with Mary breaks her perfume at Jesus’ feet, how tired must the disciples have felt after walking all day, try to picture yourself in the story. During this imaginative prayer exploration we’d like to also encourage you to read the passage in varying translations, reference a commentary, or participate in a word study (meaning, look up the Greek and or Hebrew words and meanings of the word or phrase that stands out to you). It is in this pursuit of God that we deepen our relationship with Him. It is also in this practice where we experience the work of the Holy Spirit to renew our minds by “the washing of the word” (Ephesians 5:26).

## Now

---

In the third movement we experience the beauty of a relational God. He wants us to not just know about Him, He desires us to truly know Him. During the “Now” movement, we ask the Holy Spirit, “Now what?” Is there application of the passage you have read for your own life? What is the Lord teaching you directly through His word and the insights you have received about Him, the Kingdom, and how to live? How is it moving from perception to practice, by calling you to love God, yourself, others, and the world more holistically? Listen with open ears and an open heart to what the Lord has to say. Write down what you hear and sense. Oftentimes writing thoughts down helps them to take shape and helps us to connect with them.

## Engage

---

In this final movement, focus on Him and thank Him for His living word that you have received in this time of prayer and reflection. Perhaps you feel like putting on worship music or continue to process through journaling. Allow yourself the freedom to engage with the Lord in the way He wants you to engage with Him! Finally, archive this time with the Lord in a place where you can easily and frequently reflect on it during the day and in the future. Summarize what you feel the Lord has revealed to you and taught you. This will help cement this encounter into your heart and memory to build your faith in every season!

# WEEK 01

# We Begin With Intimacy.

*"I am the true vine, and my Father is the gardener. <sup>2</sup> He cuts off every branch in me that bears no fruit, while every branch that does bear fruit he prunes so that it will be even more fruitful. <sup>3</sup> You are already clean because of the word I have spoken to you. <sup>4</sup> Remain in me, as I also remain in you. No branch can bear fruit by itself; it must remain in the vine. Neither can you bear fruit unless you remain in me.*

*<sup>5</sup> "I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing. <sup>6</sup> If you do not remain in me, you are like a branch that is thrown away and withers; such branches are picked up, thrown into the fire and burned. <sup>7</sup> If you remain in me and my words remain in you, ask whatever you wish, and it will be done for you. <sup>8</sup> This is to my Father's glory, that you bear much fruit, showing yourselves to be my disciples.*

*<sup>9</sup> "As the Father has loved me, so have I loved you. Now remain in my love. <sup>10</sup> If you keep my commands, you will remain in my love, just as I have kept my Father's commands and remain in his love. <sup>11</sup> I have told you this so that my joy may be in you and that your joy may be complete. <sup>12</sup> My command is this: Love each other as I have loved you. <sup>13</sup> Greater love has no one than this: to lay down one's life for one's friends. <sup>14</sup> You are my friends if you do what I command. <sup>15</sup> I no longer call you servants, because a servant does not know his master's business. Instead, I have called you friends, for everything that I learned from my Father I have made known to you. <sup>16</sup> You did not choose me, but I chose you and appointed you so that you might go and bear fruit—fruit that will last—and so that whatever you ask in my name the Father will give you. <sup>17</sup> This is my command: Love each other.*

*John 15:1-17 NIV*

## CONTEXT

In the chapters leading up to Jesus' famous I am statement, I am the true vine, He has predicted his death as well as promised Holy Spirit to come. His heart is to comfort His disciples as he prepares for Calvary as well as set their hearts at ease with the comfort and hope of receiving the gift that is the Holy Spirit. In this passage, Jesus highlights the importance of a relationship with Him. Neither true fruitfulness nor suffering well through the disappointments and trials of this life will be possible without intimacy with Him.
